Ventus Ha'

The name of our resort derives from Latin, *Ventus* meaning wind, and in Mayan *Ha* means water, resembling "Wind in the water". Projecting an idea of movement, freshness and nature.

An important part of the concept is the Mayan culture, so we will take as our standard the greeting to our guests with the phrase:

"Le helá a' huotoch Ventus Ha" / "This is your home, Ventus Ha"
